Get rid of Dyspepsia.

"Take My Advice and Use Stuart's Dyspepsia Tablets if You Want a Pretty Skin."

Digestive troubles ruin the complexion. The sour, fermented, gassy contents poison the blood, draw the corners of the mouth, rob you of sleep, give the face that ugly, gray, haggard, moribund expression in the morning and you are tired all day. It is not what you eat but the fruit of digestion that hurts. Eat anything you like and let Stuart's Dyspepsia Tablets digest your food, tone your stomach, supply your blood with nourishment, then good looks, a healthy appearance and bright eyes will soon return. CHRISTMAS MAIL FOR WAR WORKERS SAME AS SOLDIERS

Red Cross Will Receive One
Parcel for Each Man and
Woman on Duty Overseas.

Christmas parcels for individuals serving in the American Red Cross, Y. M. C. A., Knights of Columbus, or other organizations working with the American Expeditionary Forces in Europe may be mailed through the local chapters of the American Red Cross. It was announced to-day at the headquarters of the Atlantic Division of the American Red Cross.

As in the case of parcels sent by relatives or friends of soldiers overseas, the parcels when ready for shipment must not exceed three pounds in weight. The following rules will govern the sending of these packages:

"The sender must in each case file a statement with the nearest Red Cross receiving station certifying that he or she is the nearest relative in the United States of the proposed recipient and desires to send such person a Christmas parcel. Two or more relatives may join in sending a Christmas par-

cel, but only one such parcel can be sent to the same individual.

"Upon approval of such request, the Red Cross will furnish the sender a carton of the prescribed size (8 inches by 4 inches by 4 inches), in which to inclose the articles to be mailed. When filled, the carton must be returned unsealed and unwrapped to the nearest receiving station, designated by the Red Cross for inspection, wrapping, addressing, affixing of stamps, etc., under the supervision of the Red Cross. The parcel must be left at the Red Cross receiving station, which will affix thereto a certificate in the form of a seal showing that the parcel has been inspected and passed, and shall mail it on or before Nov. 20, 1918 (except in Alaska, Hawaii and Porto Rico, where Christmas parcels will be accepted up to and including Dec. 1).

Supervisors and captains of the six Christmas Parcel Stations in Manhattan were instructed yesterday to take care of parcels delivered to them under the new order.

Parcels for the soldiers continue to be received in large numbers at the six stations. The time limit for receiving parcels is November 20, but it is hoped that those who intend to send gifts will not delay until the last few hours, as this might interfere seriously with the successful distribution of the parcels abroad. The conclusion of peace, it was stated, will have no effect on the arrangements for sending the parcels to Europe.

The American Red Cross has nothing to do with the distribution of the parcels. When the filled parcel is returned to the parcel station it is inspected by Red Cross officials, sealed and stamped, and then delivered to the postal authorities. Already several thousand parcels have been passed on by the Red Cross parcel stations here.

PAIGE

"The Most Beautiful Car in America"

Now for Peace

"LET'S GO!"

A glorious and enduring Peace! And we and our Allies have won it with our courage, our brains and our brawn.

Now let us turn from War to the Work and Responsibilities of Peace. We Americans have a gigantic task before us. It is our job to clear away the wreckage of War, to rebuild and reorganize half the World.

Let's start this instant to do it—start with the calm confidence, the ingenuity, the thoroughness, the resistless energy with which we started to Win the War.

It was the great privilege of the Paige to stand shoulder to shoulder with scores of other great American Companies and fight, not in trench and turret, but beside lathe and drill-press.

In this Hour of Fulfillment we wish to speak a word of appreciation to those who have worked whole-heartedly with us, who have expressed their own red-blooded Americanism in a way to make our course and accomplishment possible.

We all had many difficult and weighty problems to solve. And yet, we realize, these War readjustments of business brought much graver uncertainty and greater privations to the 2,000 Paige Dealers throughout the world than they did to us. They were forced to make heroic sacrifices in order to save their undertakings, and their investments.

They responded magnificently. We shall remember those Dealers and the way they met and passed the Test.

Our service with the Colors has brought us a recompense, which lies, not only in the consciousness of having given our best to Uncle Sam and Victory, but actually, in the invaluable experience we have secured in meeting and solving the unprecedented problems which War forced upon the resourceful men, the strong men, the indomitable men of American Industry.

Our engineers crowded into the War Period years of priceless experience, years of creative work. We have learned new methods of manufacture, new standards of precision, new tests of quality.

We have built new factories, added vastly to our equipment, expanded our facilities tremendously. We were given by the War and War Work new Visions of the need of motor cars and motor trucks. And now that Peace has come and the Markets of the World are re-opened to us—we are prepared.

Paige Owners, Paige Dealers, Paige Patrons throughout the World, whose support and patience so long sustained us, will now find a Paige Company amazingly expanded in ideal and physical asset, in vision and factory equipment—a Paige Company, not merely of Detroit and U. S. A.—but a Paige Company of the World.

Walk-Over SHOES

These Are Days of
So Many More Steps

Here is a shoe to help women. It has been called "The Army Shoe for American Women." But army shoes can't have the graceful lines of shoes designed for the smaller feet of women. We prefer to call it an occupation-shoe—a get-things-done shoe, aidful to our volunteer women-workers in the numerous ways they keep busy for their country.

It has a restful street-arch, an attractive toe, and a military heel. A serviceable heel makes every step less tiring in these days of so many more steps. Let us show you how well it looks on your foot.

The name Walk-Over means good shoes the world over.
